Swimming pool

The swimming pool of “Le Versegge” was restored at the end of 2013 and is a central element of the property, positioned in an ideal sunbathing location. It is equipped with poolside umbrellas, sunbeds and deck chairs. In the attached plans the measurements are in meters. The water line varies from 65cm at the access ladder to the 125cm of the pool. It is also possible to utilise the sauna and turkish bath steam cabin which are located near the pool.

Restaurant “Re Sugo”

Le Versegge Residence has become known for the quality of its Re Sugo restaurant. It is a short walk through the garden, and offers, due to its location and large windows, a romantic view of the Maremma. At the table, quality is one of our uncompromising staples; we only buy products of the highest authenticity and with regard to seasonal vegetables, we prefer to harvest them from our garden. The dishes are traditional Maremma (such as ravioli, tagliatelle and homemade “gnocchi”, wild boar and meat). We are confident that Re Sugo will exceed your expectations. Introducing your vacation to the wonderful flavors of the Maremma.
